Annex 6

UKCRC Registered Clinical Trials Units

In 2007 the UKCRC developed a registration process which recognises Clinical Trials Units (CTUs) capable of centrally coordinating multi-centre clinical trials to the highest standards. This annex lists the 40 Clinical Trials Units which achieved UKCRC Registration following this first call: 26 with full registration and 14 with provisional registration.

	England	Northern Ireland	Scotland	Wales
Fully registered Clinical Trials Units	Birmingham Clinical Trials Unit (University of Birmingham) Bristol Randomised Trials Collaboration (University of Bristol) Cancer Prevention Trials Unit (Barts and The London School of Medicine and Dentistry, London) Cancer Research UK & UCL Cancer Trials Centre (University College London, London) Cancer Research UK Clinical Trials Unit (University of Birmingham) Children's Cancer and Leukaemia Group (CCLG) (University of Leicester) Christie Clinical Trials Unit (Christie		Cancer Clinical Trials Unit Scotland (CACTUS) (ISD Cancer Clinical Trials Team, Edinburgh and Cancer Research UK Clinical Trials Unit, University of Glasgow) Centre for Healthcare Randomised Trials (CHaRT) (University of Aberdeen) Edinburgh Clinical Trials Unit (University of Edinburgh and NHS Lothian Health Board) Glasgow Clinical Trials Unit (University of Glasgow)	North Wales Organisation for Randomised Trials in Health (NWORTH) (Bangor Univeristy) Wales Cancer Trials Unit (Cardiff University)
